1. Description of the product: The label claims that the product helps in retain healthy skin and texture.
2. The objective of the patch test was to evaluate the skin compatibility and safety of the product in its intended user population (children and teenagers aged 6–19 years) by assessing any signs of erythema or oedema following topical application.
3. The objective of the patch test is to prove that the product causes no skin irritation (Erythema and Oedema) and is safe to use.
4. The patch test was performed on 24 volunteers consisting of male and female children and teenagers aged between **6 and 19 years** under the supervision of a qualified dermatologist.
5. The test included a positive control - Sodium Lauryl Sulphate 3% w/w
6. The area being tested was observed 24 hours and 48 hours later.
7. The below data indicates that there was no reaction to the oil by any of the volunteers and that it is safe to use.

Sample batch no.: **ABW0104ST**
Mfg. date: **APR.2025**
Expiry date: **MAR.2027**
Mfg. by: **Madhur Pharma & Research Laboratories (P). Ltd.**

Study methodology: As per BIS standard IS 4011:1997

No. of volunteers participated: 24

Age group	No. of males	No. of females	Total nos.
6-9	3	3	6
10-14	4	4	8
15-19	5	5	10

Mean age of total 24 volunteers: 12.96 years

Scoring the treatment site for Erythema/Dryness/Wrinkles:

Score	Reaction	No. of volunteers	
		After 24 hrs.	After 1 week
0	No reaction	0	0
1	Very slight erythema/dryness with shiny appearance	0	0
2	Slight erythema/dryness/wrinkles	0	0
3	Moderate erythema/dryness/wrinkles	0	0
4	Severe erythema/wrinkles/scales	0	0

Scoring the treatment site for Oedema:

Score	Reaction	No. of volunteers	
		After 24 hrs.	After 1 week
0	No reaction	0	0
1	Very slight oedema	0	0
2	Slight oedema	0	0
3	Moderate oedema	0	0
4	Severe oedema	0	0

Combined score for Erythema and Oedema:

Time	Reaction	Score		Combined Score
		Erythema	Oedema	
T1 (After 24 hrs.)	None	0 / 96	0 / 96	0 / 192
T2 (After 48 hours)	None	0 / 96	0 / 96	0 / 192

Observation**Mean score for Erythema and Oedema:**

Test	Reaction	Score	No. of patients	Remarks
Er/Oe	None	0	24	None of the volunteers experienced any reaction
